Related Collections. Since I was a kid, my parents have been interested in astrology and the stars. My dad is a poet, a real wordsmith, and he has been interested in astrology for years. My mom is an artist, a creative; she's a painter, a potter, and an accomplished writer. Both my parents have always encouraged my interest in the stars and the world around me. Many people are unaware that the medieval Europeans were doing the same thing. While the original medieval astrologers were Christian monks, the typical horoscope reader was the intelligent layman. In the early 20th century, there was a lot of revival in the interest in horoscopes. While some of these

revivalist horoscope readers were genuine charlatans, others were well-intentioned. Many of the horoscope books of the 20th century are the result of an effort to save the New Age ideas from the ancient. Joe Morello. Demetrio Garcia. Total Astrology. The Leo Gold Software Report.
