Skyzapper is a software with which you can search sky signals and find nearby tv and radio stations. Skyzapper runs on any Windows PC and is

## SkyCaller Full Version PC/Windows

If you are a telemarketer and you have a lot of phone numbers to call, you will have to waste a lot of time to call each of them. SkyCaller automatically calls numbers and plays messages at the same time. SkyCaller is a handy and reliable program aimed at telemarketers or companies that want to deliver messages to their clients. The application will call phone numbers continuously until they are answered; then, a custom message will be played using a synthesised voice. KEYMACRO Description: If you are a telemarketer and you have a lot of phone numbers to call, you will have to waste a lot of time to call each of them. SkyCaller automatically calls numbers and plays messages at the same time. SkyCaller is a handy and reliable program aimed at telemarketers or companies that want to deliver messages to their clients.
